

FULL CIRCLE

COMMUNITY ACTIVITY PROPOSAL

updated June 2023

SHARE WHAT YOU LOVE WITH YOUR COMMUNITY!

Full Circle would like to offer you the opportunity to share what you know and love - knitting, painting, music, yoga, meditation, hula hooping, card games, coding, or any class, group, or activity that helps foster and build community. Or, are you a local therapist or a certified peer support specialist looking for a space to lead a group? Let us know! You bring the supplies, we'll provide the space (and the tea).

HOW?

- Reach out to us via the form on our website or by bringing us or mailing in this form.
- We will then reach out to chat about the activity you'd like to offer and to discuss availability of space.
- The information you provide about your activity will be utilized to spread the word about your offerings on our social media and website and to our clients (when appropriate), including a printable flyer. Or you may design your own flyer to post at Full Circle. People will also be able to sign up via our website (links will be posted to our social media accounts).
- You will be responsible for following up with participants individually.
- If you offer your activity for free, you may use our space at no cost. If you charge a fee, Full Circle asks that one-third (33%) of the proceeds be donated to Full Circle's Scholarship Fund (supply and materials fees not included).

If you would like to co-create healthy, inclusive community with us, please let us know by filling out this form and mailing it to 1915 George Street, Hendersonville, NC 28792. Thanks for being an amazing part of our community!
